25X1

The following is a summary of Soviet military activity and the movement of Soviet troops and military equipment along the Iranian border for the period 2 - 30 April 1951.

1. Pol Dasht  
29 April

One artillery piece of unknown caliber was observed moving from Shah Takhti (39-22N, 45-06E) to the station (unidentified).

Two motorized truck-drawn 105 mm guns were observed moving from Shah Takhti to the front of the station (unidentified); from here they were moved behind a ruined house.

20 armed troops were observed moving from Shah Takhti to the post of Pol Dasht.

One armored car was observed moving from Shah Takhti to Dzhulfa, where it moved to the heights east of the railroad station and was concealed.

30 April

Westbound rail traffic from Nakhichevan to Yerevan included two cars carrying weapons carriers and 31 cars carrying troops.

2. Dzhulfa  
25-26 April  
(report for two days)

Westbound road traffic from Ordubad to Dzhulfa included 11 trucks carrying one (sic) 105 mm gun.

28 April

Rifle training took place at Dzhulfa.

102 rockets were fired at Dzhulfa.
